# MUSICIAN CHAIR SPONSORSHIP PROGRAM

A Musician Chair Sponsorship is a direct way for you to connect your passion and your donation to a specific person in the North State Symphony. Chair Sponsors sometimes choose an instrument they particularly love, a player they know, or a chair recommended by North State Symphony staff. Student players, professional players, principal players, as well as guest artists and our guest conductors can all be selected for sponsorship if available.

A Chair Sponsorship is a very visible show of support as the donor's name appears next to the sponsored musician's name in concert programs as well as in other listings of symphony donors. This unique kind of sponsorship is an opportunity to get to know more about the North State Symphony, and to have a special connection with the musicians on stage during the concerts.

Sponsorship levels are \$1,000 and \$1,500 for professional musician chairs, and \$500 for student musician chairs (student chairs are limited in number and not always available). Your sponsorship can be given as a gift all at once or as pledge payments made over several months.

For more information about sponsoring a musician's chair, contact Keith Herritt at 530-898-5984, or complete this form and mail or give to a staff person at the next concert.
